Mobile No: 91-8600814807

Profile:

SAP ABAP Consultant with a passion for delivering exceptional service and driving customer satisfaction. Skilled in collaborating with clients to understand their business needs, translating requirements into technical solutions, and providing ongoing support and maintenance. Seeking an opportunity to contribute to a dynamic team and make a positive impact on business outcomes.

SUMMARY: -

With total 5 Years 6 months experience in IT industry, I specialize in developing and implementing customized SAP solutions. My experience as an SAP ABAP Consultant with 4 years 6 months includes improving system performance and tailoring functionalities across modules such as FI/CO, SD, and MM. I'm responsible for translating business requirements into technical designs and delivering reliable ABAP code, often collaborating with functional and other technical teams throughout the project lifecycle.

Skill Set:

SAP ABAP:

- SAP ABAP Development: Core ABAP (RICEF), OOABAP, Dialog Programming, Smart Forms, Exits & BADIs, Classical & Interactive Reports, ABAP 7.5 & OData, Data Dictionary.
- OData Services, .net technologies, FTP.
- **Implementation experience for SAP R/3.**
- **Implementation experience for SAP S4Hana .**
- Module Specialization: SD, MM, FI, FS-CM,
- System Integration: ALE, IDoc, RFC, BAPI, Web Services, OData.
- Data Management: Data Migration (BDC, Direct Input, custom programs).
- Development Tools & Methodologies: ABAP Workbench, SAP Solution Manager, Charm, ServiceNow.
- Scheduled SAP background (batch) jobs to execute long-running and resource-intensive ABAP programs without impacting online system performance.

Professional Profile:

- Working with **AmDhan Ltd** as SAP ABAP Consultant from **June 2025 to till date.**
- Worked with **Serole Technologies pvt ltd.** as SAP ABAP Consultant from **June 2021 to June 2025. (4 Years)**
